

27 May 2021

Dear Parent/ Carer,

Year 11 from Thursday 27th May – Attendance No Longer Required

I am writing to inform you that all Year 11 students have formally been dismissed from College at the end of the day today, Thursday 27th May. **Year 11 students will not attend College tomorrow, Friday 28th May, and are not required to attend in person after May Half-Term.**

We are immensely proud of all our Year 11 students hard work and commitment and congratulate them on reaching the end of the planned assessments which have concluded this week. As such we feel it is now appropriate Year 11 students begin the next step in their preparations for further education, training and employment.

The guidance from the Department of Education is that schools should continue to provide opportunities to meet the progression needs of their students during the period after assessment completion, and that is absolutely what we want to do to continue to support our Y11 students transition.

Information about the College remote enrichment offer for after May Half-Term will follow shortly. It will include things such as live online sessions for A-Level progression, Grade 4/5 consolidation and employment skills.

It is also important that our Year 11 students have a key point of contact should they require. Students can message via teams or email Mrs Huddart j.huddart@newmanrc.oldham.sch.uk or Mrs Humphries r.humphries@newmanrc.oldham.sch.uk.

Finally, can I again congratulate our students for their efforts, especially during this final assessment week. Enjoy your well-deserved Half-Term break.

Yours sincerely,

Mrs K Phillips - Deputy Head
